

## **AFTER THE GOLDRUSH**

Well, I dreamed I saw the knights in armour coming *D G*  
Saying something about a queen *D G*  
There were peasants singing and drummers drumming *D A*  
And the archer split the tree *G A*  
There was a fanfare blowing to the sun *Bm C*  
That was floating on the breeze *G C*  
Look at Mother Nature on the run *D A*  
In the nineteen seventies *C G*  
Look at Mother Nature on the run *D A*  
In the nineteen seventies. *C G*

I was lying in a burned out basement *D G*  
With the full moon in my eyes *D G*  
I was hoping for replacement *D A*  
When the sun burst through the sky *G A*  
There was a band playing in my head *Bm C*  
And I felt like getting high. *G C*  
I was thinking about what a friend had said *D A*  
I was hoping it was a lie. *C G*  
Thinking about what a friend had said *D A*  
I was hoping it was a lie *C G*

Well, I dreamed I saw the silver space ships flying *D G*  
In the yellow haze of the sun. *D G*  
There were children crying and colours flying *D A*  
All around the chosen ones *G A*  
All in a dream, all in a dream *Bm C*  
The loading had begun *G C*  
Flying Mother Nature's silver seed *D A*  
To a new home in the sun *C G*  
Flying Mother Nature's silver seed *D A*  
To a new home *C .....G*
