

ANYHOW

Susan Tedeschi – E

Running from a bitter taste	C#m	
Took a rest from all the chase	C#m	
Feeling something anchored in my soul	E	
Played the game by all the rules	C#m	
Learning lessons no one gets to choose	C#m E	
Everywhere I turn, here I am	C#m	D A2 E

Chorus

So walk away with me.....~ (I'll show you that)	F#m2 G F#m2
I would go anywhere, anytime (anywhere, anytime)	E A G F#
I would do anything, anyway ~ Anyhow	E A G F# ~

Woke up feeling all adrift
Pieced together what I missed
Realized that you pushed me out to see
Followed from a lost place
Dealing with the wreckage in my soul
Everywhere I turn, there you are ~ You are

Chorus

Ey, he-yeah
No one cares to loan a dime
Sorry if it cost you time
What'd you expect a desperate man to do?
Cain and Abel lit the flame
We can never go that way again
Everywhere I turn, here we are We are

Chorus

Anyhow	Ey, yeah		
Anywhere,	I would do		
Almost anything, anyway, I would do almost anything			
Anyway, anyhow	Anytime	Anytime	
Anytime	Anytime	Anytime	
Anytime
