Riff > Cm Bb F, Cm Bb F, Cm Bb F, Cm Bb Ab < X2

Am D G
Oh what a feeling I get when I'm with you

Am D G

You take my heart into everything you do

Ab Bb Gm Ab

And it makes me sad for the lonely people

Fm Bb Cm

I walked that road for so long

Ab Bb Gm Ab

Now I know I'm one of the lucky people

Fm Bb F

Your love is making me strong

Cm Bb F

I've had enough bad love

Cm Bb F

I need something I can be proud of

Cm Bb F

I've had enough bad love

Cm Bb F

No more bad love

Am D G

And now I see that my life has been so blue

Am D G

With all the heartaches I had till I met you

Ab Bb Gm Ab

But I'm glad to say now that's all behind me

Fm Bb Cm

With you here by my side

Ab Bb Gm Ab

There's no more memories there to remind me

Cm Bb F

Your love will keep me alive
