LOOK INTO THE SUN

Jethro Tull **A**

Took a sad song of one sweet evening
I smiled and quickly turned away
It's not easy singing sad songs
But still the easiest way I have to say

So when you look into the sun
See all the things we haven't done
Oh was it better then to run
Than to spend the summer crying
Now summer cannot come anyway

I had waited for time to change her
The only change that came was over me
She pretended not to want love
I hope she was only fooling me

So when you look into the sun
Look for the pleasures nearly won
Or was it better then to run
Than to spend the summer singing
And summer could have come in a day

So if you hear my sad song singing
Remember who and what you nearly had
It's not easy singing sad songs
When you can sing the song to make me glad

So when you look into the sun
And see the words you could have sung
It's not too late, only begun
We can still make summer
Yes, summer always comes anyway

So when you look into the sun
And see the words you could have sung
It's not too late, only begun

Look into the sun

THIS IS THE HOUSE THAT JACK BUILT

This is the house that Jack built, y'all
Remember this house!

This was the land that he worked by hand
It was the dream of an upright man
This was the room that was filled with love
It was a love that he was proud of
This was a life of a love he planned
Of a love and a life we loved
In the house that Jack built.
(the house that Jack built)
Remember this house!

There was the fence that held our love (yes it was),
There was the gate that he walked out of
This is the heart that is turned to stone (yes it is)
This was the house, but it ain't no home
This is the love that I once had
In a dream that I thought was love,
In the house that Jack built (the house that Jack built),
I'm gonn' remember this house!

Oh-ohh wha-a-at's the use of crying?
'Cause I brought it on myself
There's no denying
But it see-e-ee-ems awful funny
That I didn't understand
Was it a house of an upright man

Up on the hill
There's a big plan still
In the house that Jack built
(the house that Jack built)
I'm gonn' remember this house
(the house that Jack built)

Listen!	I got the house	I got the car
I got the rug	And I got the rack	
But I ain't got Jack (Jack)		(I ain't got Jack, Jack)
And I want my Jack back!		

I turned my back on Jack	He said he wasn't coming back
I turned my back on Jack	he said he wasn't coming back
Ohhh, Jack	Ohh! Come on back
Ohh Jack	Oh come on back
He wanted to use me	I didn't understand
I said, I want my upright man	

I CAN'T STAND THE RAIN

I can't stand the rain
Against my window
Bringing back sweet memories
I can't stand the rain
Against my window
'Cause he ain't here with me

Hey window pane
Do you remember
How sweet it used to be
When we were together
Everything was so grand
Now that we've parted
There's one sound
That I just can't stand

I can't stand the rain
Against my window
Bringing back sweet memories
I can't stand the rain
Against my window
'Cause he ain't here with me

When we were together
Everything was so grand
Now that we've parted
There's just one thing
That I just can't stand
I can't stand the rain

THINK

You better think (think)
Think about what you're trying to do to me
Think (think, think)
Let your mind go, let yourself be free

Let's go back, let's go back
Let's go way on, way back when
I didn't even know you
You couldn't have been too much more than ten (just a child)
I ain't no psychiatrist, I ain't no doctor with degrees
But, it don't take too much high IQ's
To see what you're doing to me

You better think (think)
Think about what you're trying to do to me
Yeah, think (think, think)
Let your mind go, let yourself be free

Oh, freedom (freedom), freedom (freedom)
Oh, freedom, yeah, freedom
Freedom (freedom), oh oh freedom (freedom)
Freedom, oh freedom

Hey, think about it, think about it

There ain't nothing you could ask
I could answer you but I won't (I won't)
But I was gonna change, but I'm not
If you keep doing things I don't

You better think (think)
Think about what you're trying to do to me
Think (think)
Let your mind go, let yourself be free

People walking around everyday
Playing games, taking scores
Trying to make other people lose their minds

Ah, be careful you don't lose yours, oh

Think (think)

Think about what you're trying to do to me, ooh

Think (think)

Let your mind go, let yourself be free

You need me (need me)

And I need you (don't you know)

Without eachother there ain't nothing people can do, oh

Think about it, baby (What are you trying to do me)

Yeah, oh baby, think about it now, yeah

(Think about, forgiveness, dream about forgiveness)

To the ball, forgiveness

Think about it baby

To the ball, forgiveness

To the ball, forgiveness

RAMBLE ON

Leaves are falling all around
Time I was on my way
Thanks to you, I'm much obliged
Such a pleasant stay

But now it's time for me to go
The autumn moon lights my way
For now, I smell the rain and with it pain
And it's headin' my way

Ah, sometimes I grow so tired
But I know I've got one thing I got to do

Chorus

Ramble on, and now's the time, the time is now
Sing my song, I'm going 'round the world, I got to find my girl
On my way, I've been this way ten years to the day
Ramble on, I find the queen of all my dreams

Got no time for spreading roots
The time has come to be gone
And though our health we drank a thousand times
It's time to ramble on

Chorus I ain't tellin' you no lies

Mine's a tale that can't be told
My freedom, I hold dear
How years ago in days of old
When magic filled the air

T'was in the darkest depths of Mordor
I met a girl so fair
But Gollum, the evil one
Crept up and slipped away with her, her, her, her, her, yeah

And ain't nothing I can do, no

I guess I'll keep on rambling, I'm gonna shake
Sing my song, I've gotta find my baby
I'm gonna ramble on, sing my song
Gonna work my way, going 'round the world, baby, baby
Ramble on, yeah

I can't stop this feeling in my heart
Every time I think about my babe, I really got to part
I gotta keep searching for my baby
I gotta keep-a searching for my baby

Oooh, I can't find my bluebird
I listen to my bluebird sing but
I can't find my bluebird
I keep a-rambling baby
I keep a-rambling baby

A G Dm

Sick at heart and lonely,
Deep in dark despair.
Thinking one thought only
Where is she tell me where.
And if she says to you
She don't love me
Just give her my message
Tell her of my plea

And I know if she had me back again
Well I would never make her sad.
I've gotta heart full of soul.

She's been gone such a long time
Longer than I can bear
But if she says she wants me
Tell her that I'll be there
And if she says to you
She don't love me
Just give her my message
Tell her of my plea.

Isn't she precious?
Less than one minute old
I never thought through love we'd be
Making one as lovely as she
But isn't she lovely made from love?

Isn't she pretty?
Truly the angel's best
Boy, I'm so happy
We have been heaven blessed
I can't believe what God has done
Through us He's given life to one
But isn't she lovely made from love?

Isn't she lovely?
Life and love are the same
Life is Aisha
The meaning of her name
Londie, it could have not been done
Without you who conceived the one
That's so very lovely made from love

I went back to Ohio
But my city was gone
There was no train station
There was no downtown
South Howard had disappeared
All my favourite places
My city had been pulled down
Reduced to parking spaces

Ay, oh, way to go, Ohio **Bm7 ||||| E5 ||||| repeat intro**

Well, I went back to Ohio
But my family was gone
I stood on the back porch
There was nobody home
I was stunned and amazed
My childhood memories
Slowly swirled past
Like the wind through the trees

Ay, oh, way to go, Ohio **repeat intro – solo on E blues 3rd @ 14th**

I went back to Ohio
But my pretty countryside
Had been paved down the middle
By a government that had no pride
The farms of Ohio
Had been replaced by shopping malls
And Muzak filled the air
From Seneca to Cuyahoga Falls

Said, ay, oh, way to go, Ohio

OH WELL

Key E

I can't help about the shape I'm in
I can't sing I ain't pretty and my legs are think
But don't ask me what I think of you
I might not give the answer that you want me to

Oh well

Now, when I talked to God I knew he'd understand
He said, "Stick by my side and I'll be your guiding hand
But don't ask me what I think of you
I might not give the answer that you want me to"

Oh well

I look in a mirror thinking who's that man
I see those eyes and I don't understand
But don't ask me what I think of you
I might not give the answer that you want me to

Oh well

IF I WERE A CARPENTER

Capo 2 D C G

Normal - E D A

Over time, some lyrics become outdated and maybe even offensive but if the sentiment is compelling it still grabs me. That is how it was with this song so I rewrote the lyrics. So this is with apologies to Tim Hardin

If I were a carpenter
and you were a lady
Would you marry anyway
would you have my baby

If I were congressman
Would you still believe me
Would ask me to show my hand
Could you still forgive me

Bridge

Save my love through loneliness
Save my love through sorrow
I gave you my only-ness
Come and give me your tomorrow

If I was a holy man
Could you try to love me
If I told I'd seen the light
Would you see right through me

If I were a poet
Spinning words to sway you
Would you give me a way to find
What goes on inside you

Repeat Bridge

Repeat verse 1

Original Tim Hardin lyrics

If a tinker were my trade
would you still find me
Carrying the pots I made
following behind me

Save my love through loneliness
Save my love through sorrow
I gave you my onlyness
Come and give me your tomorrow

If I worked my hands in wood
would you still love me
Answer me dear yes I would
I would put you above me

If I were a miller
at a mill wheel grinding
Would you miss your collared boss
soft shoes a shining

But that don't worry me none in my eyes you're everything **A G D**
I laughed at all of your jokes my love you didn't need to coax **G D G A**

All I needed was a friend to lend a guiding hand **A G D**
But you turned into a lover and Mother what a lover, you wore me out **A G D**
All you did was wreck my bed And in the morning kick me in the head **G D G A**

I suppose I could collect my books and get on back to school **A G D**

Or find myself a rock and roll band that needs a helpin' hand **G D G A**

Oh Maggie I wish I'd never seen your face **Em F#m Em**

NOTHING COMPARES 2 U

C G/B Am C G

It's been seven hours and thirteen days
Since you took your love away
I go out every night and sleep all day
Since you took your love away
Since you've been gone I can do whatever I want
I can see whomever I choose
I can eat my dinner in a fancy restaurant
But nothing, I said nothing can take away these blues

Chorus

'Cause nothing compares
No, nothing compares to you
Nothing, nothing

It's been so lonely without you here
Like a bird without a song
Nothing can stop these lonely tears from falling
Tell me, baby, where did I go wrong?
I could put my arms around every girl I see
But they'd only remind me of you
I went to the doctor and guess what he told me
Guess what he told me
He said, "Boy, you better try to have fun no matter what you do"
But he's a fool

Chorus

[Interlude]

[Bridge]

All the flowers that you planted, mama, in the backyard
All died when you went away
I know that living with me, baby, was some kind of hard
But I'm willing to give it another try
