Now the doctor say I need rest
But all I need is her tenderness
He put me on, the critical list
When all I need is her sweet kiss
He gave me a medicated lotion
But it didn't soothe my emotion yeah ay!

Solo on verse

I don't need no doctor

For my hope to live is strong
All I need is my baby - **Please!**
Won't you please come on home

Repeat Riff with ad lib vocals till 'one more time' > riff X 4
