

IN YOUR EYES

Love I get so lost, sometimes Am C F C Am
Days pass and this emptiness fills my heart
When I want to run away, I drive off in my car
But whichever way I go, I come back to the place you are

Chorus

All my Instincts, they return G C F C G
And the grand facade, so soon will burn
Without a noise, without my pride
I reach out from the inside G ~ 4 bars
In your eyes the light the heat D G C G D
in your eyes I am complete
in your eyes I see the doorway to a thousand churches
in your eyes the resolution of all the fruitless searches
in your eyes oh, I see the light and the heat
in your eyes oh, I want to be that complete
I want to touch the light the heat I see in your eyes

Love, I don't like to see so much pain
So much wasted and this moment keeps slipping away
I get so tired of working so hard for our survival
I look to the time with you to keep me awake and alive

Rpt. Chorus
