

**JUST HAVING MY FUN**

Rebekka Bakken

Intro = F# B F# B

|                                    |       |
|------------------------------------|-------|
| All the things I should have done  | F#    |
| all the things I should have known | B     |
| all the things I should have had   | Eb    |
| all the do's I don't               | Ab Db |

|                                    |       |
|------------------------------------|-------|
| Laying in my bed all day           | F#    |
| I like staring in the air and say; | B     |
| all the things I should have done  | Eb    |
| and all the don'ts I do            | Ab Db |

|   |                                  |
|---|----------------------------------|
| <b>I am here</b> and that is all I care | F# Bb B Bb                       |
| I'm not on the run                      | Ab                               |
| just having my fun                      | Bb                               |
| in the sun of my bedroom .... Ah! Oh!   | B Db <b>tacit</b> > drums 2 bars |

|                                      |       |
|--------------------------------------|-------|
| Don't know what is wrong about right | F#    |
| don't know what is day in night      | B     |
| or why people grow older             | Eb    |
| when life still stays the same       | Ab Db |

**I am here... X2 tacit 'light....' Intro couplet lick**

|   |                   |
|---|-------------------|
| I don't need to take and give                 | E                 |
| I leave that life for you to live             | Db                |
| It's up to you and what I do is what I choose | Eb E              |
| It's better with a simple mind                | E' E              |
| don't need a God to give a sign               | E' E              |
| I get my fix and don't get sick,              | A                 |
| I don't turn tricks                           | A' > chorus F#... |

**I am here... X4**
