

LOVE ME LIKE A MAN

E

The men that I've been seeing, baby
Got their soul up on a shelf
You know they could never love me
'Cause they can't even love themselves

But I want someone to love me
Baby I want one to understand
Who won't put himself above me
Who can love me like a man

I never seen such losers darling
Even though I tried
To find a man to take me home
Instead of taking me for a ride

Baby I need someone to love
Baby I know you can
Believe it when I tell you darlin'
You can love me like a man

Solo

They all want me to rock them
Like my back ain't got no bone
I want a man to rock me, like my back bone wasn't home
Darlin' I know you can
Believe it when I tell you
You can love me like a man

Come home sad and lonely
Feel like I want to cry
I want some man to hold not some fool to ask me why
Baby I need someone to love
Baby I know you can
Don't put yourself above me baby
Love me like a man
