

MADMAN ACROSS THE WATER

Riff Am2 G d g c b (harmonics @ 5)

I can see very well
 There's a boat on the reef with a broken back
 And I can see it very well.
 There's a joke and I know it very well
 It's one of those that I told you long ago
 Take my word I'm a madman don't you know.

Once a fool had a good part in the play,
 If it's so would I still be here today?
 It's quite peculiar in a funny sort of way
 They think it's very funny everything I say
 Get a load of him, he's so insane
 You'd better get your coat dear
 It looks like rain

We'll come again next Thursday afternoon
 The in-laws hope they'll see you very soon
 But is it in your conscience that you're after
 Another glimpse of the

Interlude on riff solo on A blues scale

I can see very well
 There's a boat on the reef with a broken back
 And I can see it very well.
 There's a joke and I know it very well
 It's one of those that I told you long ago
 Take my word I'm a madman don't you know.
 The ground's a long way down but I need more
 Is the nightmare black
 Or are the windows painted?
 Will they come again next week,
 Can my mind really take it?
