

MAGGIE MAY

*Intro D @7th A2 [x 7 7 6 0 0] G @9th D @7th DD *

Wake up Maggie I think I got something to say to you **A G D**
It's late September and I really should be back at school **A G D**
I know I keep you amused but I feel I'm being used **G D G A**

Oh Maggie I couldn't have tried any more **Em F#m Em**
You lured me away from home **Em A**
Just to save U from being alone **Em A**
You stole my heart and that's what really hurt **Em A G D**

*couldn't leave you if I tried
that's a pain I could do without*

The morning sun when it's in your face really shows your age **A G D**
But that don't worry me none in my eyes you're everything **A G D**
I laughed at all of your jokes my love you didn't need to coax **G D G A**

All I needed was a friend to lend a guiding hand **A G D**
But you turned into a lover and Mother what a lover, you wore me out **A G D**
All you did was wreck my bed And in the morning kick me in the head **G D G A**

I suppose I could collect my books and get on back to school **A G D**
Or steal my daddy's cue and make a living out of playing fool **A G D**
Or find myself a rock and roll band that needs a helpin' hand **G D G A**

Oh Maggie I wish I'd never seen your face **Em F#m Em**
You made a first-class fool out of me **Em A**
But I'm as blind as a fool can be **Em A**
You stole my heart but I love you anyway **Em A G D**

Maggie I wish I'd never seen your face **D riff**
I'll get on back home one of these days

Riff = D drone with single note riff 2nd string
