

## MIXED EMOTIONS

**INTRO** C D *inside chords barred at 3 & 5 - repeat*

Button your lip, baby  
Let's go out dancing  
Let's bury the hatchet  
Make love together

Button your coat  
Go for the throat  
Wipe out the past  
Stay on the path

### **Chorus 1**

You're not the only one - With mixed emotions *Am Bm C D*  
& you're not the only ship - Adrift on this ocean *Am Bm C D*  
*No break between verse & chorus*

This coming and going  
This to-ing and fro-ing  
So get off the fence, now  
Life is a party

Is driving me nuts  
Is hurting my guts  
It's creasing your butt  
Let's get out and strut

### **Chorus 2**

You're not the only one  
You're not the only one  
You're not the only one  
You're not the only one

That's feeling lonesome  
With mixed emotions  
That's feeling lonesome  
With mixed **emo~~~~tions** *D4 D*

### **Bridge**

You're not the only one x2 *Em D/f# G Em D/f# G intro riff*

Let's grab the world  
And drink it down deeply  
So button your lip, baby  
Let's go out dancing

By the scruff of the neck  
And love it to death  
Button your coat  
Let's rock 'n' roll
