

MONEY FOR NOTHING

Riff X 1 > Drums Riff X 1

Now look at them yo-yo's that's the way you do it
You play the guitar on the MTV
That ain't working that's the way you do it
Money for nothing and chicks for free
Now that ain't workin' that's the way you do it
Let me tell ya' them guys ain't dumb
Maybe get a blister on your little finger
Maybe get a blister on your thumb

Chorus

We gotta install microwave ovens

Custom kitchen deliveries

We gotta move these refrigerators

We gotta move these colour TV's

The little queenie got the earring and the makeup
I tell you buddy, that's his own hair
He got helicopters and his own jet airplane
That little queenie he's a milli-on-aire

Chorus >> solo on verse X2

I shoulda learned to play the guitar *drums & bass*
I shoulda learned to play them drums
Look at that mama, gonna stick it in the camera
Man oh yes we could have some fun

What's that? Hawaiian noises?
Banging on his bongos like a chimpanzee
That ain't workin' that's the way you do it
Get your money for nothin' get your chicks for free

Chorus >> solo on verse X2

Now that ain't workin' that's the way you do it
You play the guitar on the MTV
That ain't workin' that's the way you do it
