

MOVE ON UP

Riff X 2

F#m Em F#m Bm throughout

Hush now child
Your folks might understand you
Just move on up
Though you may find, from time to time, Complication *riff x2*

And don't you cry
By and by
Towards your destination

Bite your lip
Though there may be wet road ahead
Just move on up
Into the steeple of beautiful people

And take a trip
And you cannot slip
For peace you will find
Where there's only one kind

So hush now, child
Your folks might understand you
Move on up
Remember your dream is your only scheme

And don't you cry
By and by
And keep on wishin'
So keep on pushin'
Riff X2

Take nothing less
Do not obey rumours people say
Just move on up
With just a little faith, if you put your mind to it
You can surely do it

Than the supreme best
'Cause you can pass the test
To a greater day

Riff X2

Just move on up Move on up
