

ROCK AND ROLL GYPSY

I don't need nobody, telling me what to do
I don't need no longing man to love me true and true

Chorus I

All I need is a rock and roll band
And a gig to play -yeah
And I'm on my way And I'm on my way

Chorus II

I'm a Rock and Roll Gipsy
And I'm on the run
I'm a Rock and Roll Gipsy
And I never needed anyone (anyone)

My life isn't easy baby
It's a one night stand
I've got my music
I don't need no man

Chorus I + Chorus II

Solo Chorus II

You might call me a loner
But I'm free on my own
Just give me an open road
And I'm a rolling stone

Chorus I + Chorus II
