The Letter

With a little help from my friends

She came in through the bathroom window

Don't let me be misunderstood

Fellin' alright

Into the mystic

Unchain my heart

Somethiung

The trhrill is gone

Space pilot

First we take Manhattan

Many rivers to cross

Dignity

Can't find my way home

Come together

Get up stand up

Take a walk

Winwood Clapton

Beatles

Bob Marley

Need you're love so bad

Great balls of fire

Running on faith

J. Lee Lewis

Talking back to the night

Roll with it

You don't know what night can do

Spy in the house of love

Roll with it

Winwood

Winwood

Winwood
