**G Riff X 2**

*Em blues - Jessica on G – G root*

Well, Olivia is taken **G**  
But a look like hers can be found from time to time **C G**  
Yeah, Olivia is taken **C**  
But a look like hers can be found from time to time **C G**  
I'm thinking something like Olivia is **D C**  
What I need to find **G**

There's only one man in this world who gets to **G**  
Sleep with her by his side **C G**  
There's only one man in this world who gets to **C**  
Sleep with her by his side **G**  
I'm thinking something like Olivia is **D C**  
Can keep me through the night **G**

## **Solo on verse and chorus**

Now I'm not trying to steal **G**  
No love away from no one man **C G**  
No, I'm not trying to steal **C**  
No love away from no one man **C G**  
But if Olivia herself were at my door **D C**  
I'd have to say, I'd let her in **G**

Something like Olivia          Something like Olivia **G C G**  
Something like Olivia          Something like Olivia **C G**  
I keep thinking something like Olivia is **D**  
What I need to find **C**

Is what I need ~~ to find **C ~~ G**
