

TULSA TIME

G (or capo 3 E)

Well, I left Oklahoma
 Driving in a Pontiac
 Just about to lose my mind
 I was going to Arizona
 Maybe on to California
 Where people all live so fine

My mama says I am crazy
 My baby calls me lazy
 But I am going to show them all this time
 Because you know I ain't no fool
 And I don't need no more damn schooling
 I was born to just walk the line

[Chorus]

Living on Tulsa Time
 Living on Tulsa Time
 Going to set my watch back to it
 Because you know that I have been through it
 Living on Tulsa Time

[Verse 2]

So there I was in Hollywood
 Thinking I was doing good
 Talking on the telephone line
 They do not want me in the movies
 And nobody sings my songs
 My mama says my baby's doing fine

So then I started winking
 Then I started thinking
 That I really had a flash this time
 That I had no business leaving
 And nobody would be grieving
 You see I am on Tulsa time
