High and dry in the long hot day *D*  
Lost and lonely in every way *D*  
Got the flats all around me, sky up above *Am7*  
Yes, I need a little water of love *D*

I've been too long lonely and my heart feels pain *D*  
Crying out for some soothing rain *D*  
I believe I've taken enough, *Am7*  
I need a little water of love *D*

### **Chorus:**

Water of love deep in the ground *Am7*  
but there ain't no water here to be found *G D*  
Someday baby when the river runs free *Am7*  
It's gonna carry that water of love to me *G (stop) D*

*D2 d c b a f d C G Am7*

There's a bird up in a tree, sitting up high *D*  
Just a-waitin' for me to die *D*  
If I don't get some water soon *Am7*  
I'll be dead and gone in the afternoon *D*

Once I had a woman I could call my own *D*
